

THE 6th INTERNATIONAL EXHIBITION ON GREEN INDUSTRY & SHANDONG HIGH-LEVEL FORUM OF ECOLOGICAL PROVINCE

NOV 14-16, 2014 QINGDAO

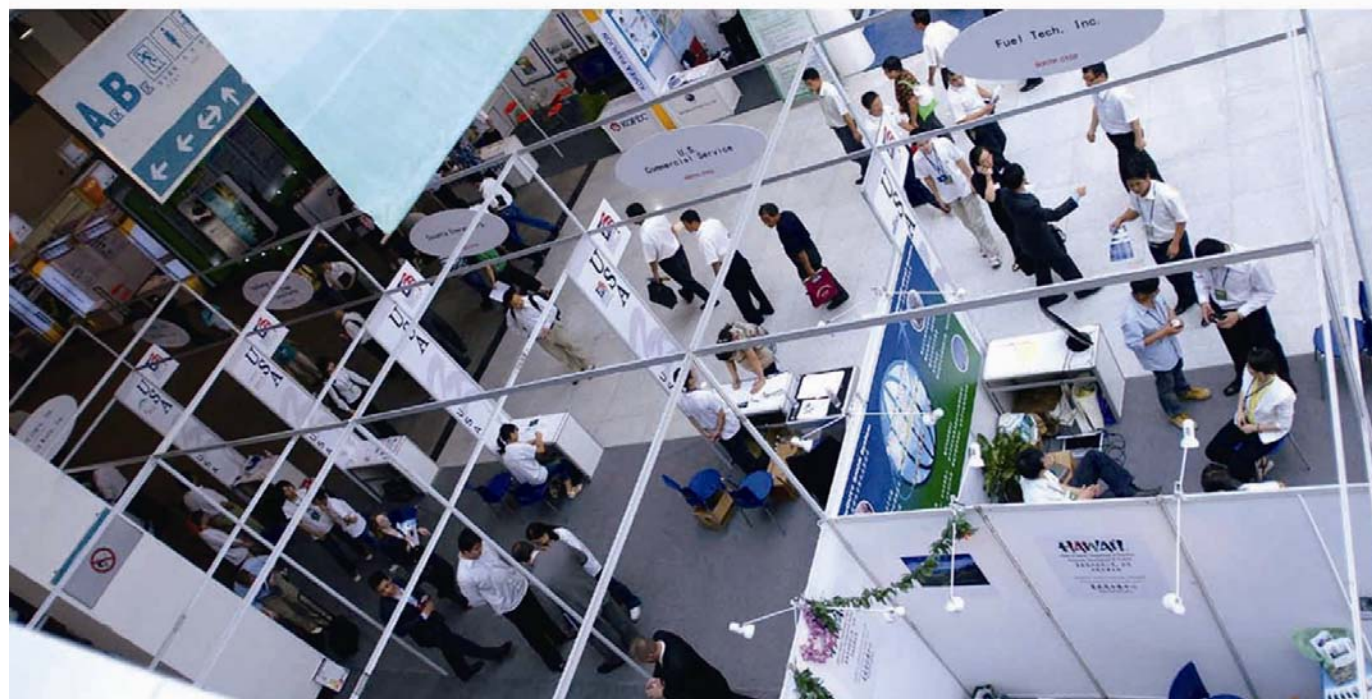

SPONSOR:

People's Government of Shandong Province
Ministry of Environmental Protection

ORGANIZER:

Department of Environmental Protection of Shandong Province
People's Government of Qingdao City

SHANDONG – THE LARGEST ENVIRONMENTAL PROTECTION INDUSTRY MARKET IN CHINA!

Shandong Province is located in the eastern part of China on the lower reaches of the Yellow River. With a GDP of 5.46843 trillion Yuan (US\$820 billion) in 2013, Shandong ranks the third in China after Guangzhou and Jiangsu. Shandong Province established and performed the strictest environmental standard system in China, keeping sustainable improvement of environment quality while the economy remains at a rapid growth. Consequently, Shandong has become the largest environmental protection industry market in China.

In the recent 10 years, Shandong has invested a lot on infrastructure construction, thus the potential marketing demand of Shandong environmental protection industry will be boomed in the future. It is estimated that only the investment on air pollution prevention and control field will reach to CNY395.5 billion Yuan from 2013 to 2015. The International Exhibition on Green Industry, as an efficient communication platform supported by Shandong government, presents huge opportunities to share the environmental protection market in Shandong and China!

GREEN INDUSTRY EXHIBITION – YOUR BEST WAY TO ACCESS SHANDONG MARKET!

Since 2004, Shandong government has successfully held 5 sessions of International Exhibition on Green Industry biennially. Approximately 3000 companies and organizations from 24 countries participated in the fair, such as Korea, Japan, America, Canada, France, Singapore, Germany, Hong Kong and Chinese Taiwan, with accumulated 62,000 professional visitors and around 10,000 draft agreements been signed. More than 60 chief leaders from the People's Government of Shandong Province, Ministry of Environmental Protection the People's Republic of China, United States Department of Commerce, Korea Ministry of Environment and Japan External Trade Organization (JETRO) etc. attended the fair. By means of Green Exhibition, Shandong Province has built long-term environmental protection cooperation mechanism with organizations of Korea and Japan etc.

EXHIBITION RANGES

ENVIRONMENT PLANNING AND DEMAND PROJECTS EXHIBITS

Providing information of hundreds of proposed construction projects based on local urban planning and environmental protection emphasis during 12th five-year plan, which is tailored to the needs of supplying visitors.

→	Flue gas desulphurization, de-NO _x
→	Dust control and removal
→	VOCs treatment
→	Vehicle exhaust control
→	Waste water treatment engineering
→	Sludge treatment and utilization
→	Water quality purification in wetland
→	Environment emergency and monitoring
→	Environment engineering design and construction
→	Environment projects operation and management
→	Soil protection and ecology restoration
→	Solid waste treatment and utilization
→	Noise reduction/sound insulation
→	Comprehensive management of rural environment
→	Energy conservation and efficiency management
→	Clean combustion
→	Energy comprehensive utilization
→	Renewable energy
→	Cleaner production
→	Green construction material
→	Green home appliances and furniture
→	Green agricultural products

Technical Seminars

Technical seminars focus on industrial waste gas treatment, water pollution control and treatment, environment monitoring and supervision, energy efficiency management service, eco-Shandong construction and so on will be held during the exhibition period.

Applying for SGE 2014

The application form, which you can download, is available at www.sdsge.com/download, the application deadline is Oct 30, 2014.

Exhibition Expense

Booth: \$3,000/9m² (standard)

Raw space: \$300/m²
